

1. Name and trade name of the construction product:

Window trickle vents Insolio

2. Type designation of the construction product:

Insolio

3. Intended use(es):

For supplying air from the building surroundings to the rooms intended for continuous or temporary stay of people in residential buildings, collective dwellings (including hotels), public, office and utility buildings.

4. Name and registered address of the producer and production location:

BREVIS s.c. Marek Ćwikilewicz, Krzysztof Dzieża Cholerzyn 456
32-060 Liszki

5. National system applied for assessment and verification of constancy of performance:

System 3

6. National technical specification:

6a. National technical assessment:
ITB-KOT-2018/0258 wydanie 3

6b. Name of the notified certification body, notification number and certificate number:
INSTYTUT TECHNIKI BUDOWLANEJ 00-611 WARSZAWA ul. Filtrowa 1; AB 023

7. Declared performance(s):

Essential Characteristics of the construction product for the intended use(es)
